KOLAR DIVISION.

PUBLIC NOTICE.

Dated 24th October 1933.

The public are hereby informed that due to the construction of a tunnel at 1/7 of Kolar-Malur-Hosur Road (District Fund) between, Malur and Hosur, the main road for a short length at this place is blocked up for traffic and temporary deviation of road at this place has been made for convenience of the traffic till the construction of the culvert is completed.

The approximate period of blocking up the road will be four months.

Abstract Notification, dated 28th October 1933.

The attention of the public is invited to the advertisement published in pages 1402 and 1403 of the *Mysore Gazette*, dated 9th November 1933 calling for tenders for the work of restoring Venkatapur Malinakere, R. No. 133 of Sidlaghatta Taluk.

The last date fixed for receipt of tender in this office is 20th November 1933.

Abstract Notification, dated 31st October 1933.

The attention of the public is invited to the advertisement published in pages 1401 and 1402 of the *Mysore Gazette*, dated 9th November 1933 calling for tender for the work of restoring Vaniganahalli Mallukunte tank, Regd. No. 148, Mulbagal Taluk.

The last date fixed for receipt of tenders in this office is 20th November 1933.

C. T. NARASIMHA IYENGAR,
Executive Engineer.

NOTIFICATION FOR FISHERY BIDDING OF RAMASAGARA TANK, BOWRINGPET TALUK, KOLAR DISTRICT.

Notification, dated 9th November 1933.

It is hereby notified that the right of fishing in and the right of cutting grass from the bund of the Ramasagara-Amanikere, Regd. No. 209-1,000 of Kysamballi Hobli, Bowringpet Taluk, situated 3½ miles to the right of Kolar-Venkatagirikote Road from mileage 2/62 and 6 miles from Bethamangala for the year ending 30th June 1934, will be sold by public auction at Bethamangala, 3rd Class Travellers' Bungalow (10 miles from Kolar Gold Fields and 11 miles from Bowringpet) at junction of Kolar-Venkatagirikote and Mulbagal Railway feeder roads by the Assistant Engineer, No. 2 Sub-Division, Public Works Department, Bowringpet, on 8th December 1933 from 11 A.M.

The sale will be knocked down to the highest bidder subject to confirmation by the Executive Engineer, Kolar Division, Kolar.

Intending bidders should deposit with the Assistant Engineer Rs. 5 before the commencement of sale. This sum, except that of the successful bidder will be returned to the parties at the close of the sale.

The successful bidder sholud pay up immediately 50 per cent of the bid amount at the close of the sale and the rest within three days after the date of sale. In case of non-confirmation of sale by the Executive Engineer, the bid amount will be returned to the party in due course.

No extension of time beyond 30th June 1934, on any account, will be granted. The auction purchaser is not allowed to use sweep nets, explosives and other poisonous stuff for ones fishing purposes which go to destory the eggs and young ones of the fishes. Any infringement of these rules will result in immediate cancellation of the right and no refund of the bid amount can be claimed.

The bid amount will be subject to the usual cesses leviable on land revenue in the District.

In the case of the right of grass cutting, the bidder is not allowed to take any cattle or sheep or any animal on to bund to graze and spoil the slopes of bund. The grass is only to be cut without damaging the bund in any way.

K. NARAYANA IYENGAR,
Executive Engineer.

TUMKUR DIVISION.

Abstract Notification, dated 28th October 1933.

SUBJECT:—Restoring Besiege Doddakere, Reg. No. 88 of Tiptur Taluk.

Attention of the public is drawn to the notification calling for tenders for the above work in pages 1368 and 1369, Part VI of the *Mysore Gazette*, dated 2nd November 1933.

2. Tenders will be received by the Executive Engineer, Tumkur Division, Tumkur, up

Notice, dated 2nd November 1933

Notice is hereby given that sealed tenders will be received at the Office of the Executive Engineer, Tumkur Division up to 2 P.M., 4th December 1933, for constructing a Town Hall at Madhugiri.

An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by the end of June 1935.

2. The plans, detailed estimate and conditions may be seen at the Executive Engineer's Office at Tumkur between the hours of 11 A.M. and 5 P.M.

3. Tenders should be submitted on printed forms which may be obtained from the Executive Engineer. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed both in words and figures.

4. Each tender must be accompanied by a deposit of Rs. 750 in cash or currency notes, as earnest money, and be superscribed "Tender for constructing a Town Hall at Madhugiri" in default of which, tenders will be rejected.

5. The final acceptance of any tender will rest with the Executive Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond, in default of which, his tender will be considered cancelled, and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted, will be posted on the Notice Board in the Executive Engineer's Office in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders, will be returned.

9. Percentage rates above or below the estimate amount will not be accepted.

10. No claims for enhanced rates will be entertained on any account after acceptance of tenders.

11. The contractor will be dealt with in terms of the bond for any short progress or delay. In matters of all disputes about rate and measurements and quality of works, etc., and in all disputes of any kind, the decision of the Executive Engineer will be final and legally binding on the contractor.

12. Rates should be quoted both in words and figures for each item of work. Lumpsum provisions are subject to modification as per data worked out during the execution. For individual items of work under lumpsum provision, the rates tendered for similar items of work will be paid and for other items, the rates as per schedule of rates will be at the discretion of the Executive Engineer.
